RE: Dr Altan-Och Genden, IA (4900278 - MGL) & Mr Tserendorj Batsaikhan FA (2023334 –USA)

Dear Chairman Mr Nikolopoulos,

COMPLAINT:

Case 1: Dr. Altan-Och Genden, FIDE delegate of the Mongolian Chess Federation sent International Arbiters Norm Report (IA1) dated 1st May 2014 (<http://ratings.fide.com/apps/231797.pdf>) as an IA norm no.4 for Mr. Tserendorj Batsaikhan, FA from USA federation, who was not an Arbiter at the event. Correct tournament record could be found: <http://chess-results.com/tnr129769.aspx?lan=1&wi=821&turdet=YES> , where Dr Altan-Och Genden was Chief Arbiter not an Organiser. Deputy Arbiters were Mrs Genden Oyunchimeg, FA and Mr Nyamdavaa Batbold, FA.

Case 2: Dr. Altan-Och Genden, FIDE delegate of the Mongolian Chess Federation sent International Arbiters Norm Report (IA1) dated 19th April 2013 (<http://ratings.fide.com/apps/232046.pdf>) as an IA norm no.3 for Mr. Tserendorj Batsaikhan, FA from USA federation, who was not an Arbiter at the event. Correct tournament file could be found: <http://chess-results.com/tnr97315.aspx?lan=1&wi=821&turdet=YES> , where Dr. Altan-Och was Chief Arbiter, Mr. Nyamdavaa Batbold, FA was Deputy. All chess players can confirm that Mr Tserendorj Batsaikhan was not an Arbiter at any of these 2 events.

Therefore we would like you to reconsider approval of the Title Applications for Mr.

Tserendorj Batsaikhan, as IA

http://ratings.fide.com/title_applications.phtml?details=1&id=2023334&title=IA&pb=40

Case 3: Mr Tserendorj Batsaikhan was not elected as Secretary General of the Federation, but promoted as General secretary by Dr. Altan-Och. Mr. Tserendorj Batsaikhan's FIDE file states that he is a member of the chess federation of USA, not Mongolia.

As the Secretary General, Mr Batsaikhan is using his status for personal benefit, such as nominating himself as an Arbiter for the Olympiad and World Youth Championships. We have other honest FIDE Arbiters who are hardworking and dedicated to Mongolian chess.

In conjunction with those misconducts and deliberate deception of Mr Tserendorj Batsaikhan, we urge you to reconsider his nomination as match Arbiter from Mongolia at Tromso Olympiad 2014. We would be happy to replace him for another FA from Mongolia.

Case 4: Finally, there is no doubt that Dr. Altan-Och Genden has repeatedly used his position to deceive FIDE and the Mongolian Chess Federation.

These cases are just a few of many where Dr. Altan-Och Genden used his status for his own personal benefit and financial interests. For example, when FIDE donated 40 DTG clocks to the Mongolian Chess Federation, he did not provide them to the MCF for two years. At last when MCF requested the clocks, he only provided 30. Also he has kept FIDE badges and certificates for a long time instead of passing them on to the deserved player, in cases where he had personal grudges against a player.

Furthermore, he has requested players to pay their licence fee or other payments into his personal bank account or direct cash to him. Afterwards he had used Mongolian Federation money to pay FIDE for those payments. That is one of the reasons Mongolian Chess Federation has debt to FIDE.

Dr. Altan-Och will deliberately delay sending tournament and title reports to FIDE, unless the person meets his demands, such as payment.

Due to the passivity, minimal knowledge of FIDE and absence of Mr. Zandanshatar, the President of Mongolian Chess Federation, Dr. Altan-Och and Mr. Batsaikhan have been able to use our Federation for their own interest, while jeopardising the interest of many Mongolian chess players.

We hope you will seriously consider this case and will act accordingly.

Yours sincerely,

Mr. **Baatar** G, Former elected General Secretary of MCF

Mr. **Sumya** T, Former General Secretary of MCF

Mr. **Tuvsanaa** N, FIDE Master
